

**A real-world solution to secondary health data use in cancer: the IDEA4RC project**

*Moderator: Elena Martinelli*

- 1.00-1.15 pm **Intelligent ecosystem to improve the governance, the sharing, and the re-use of health data for rare cancers (IDEA4RC): an introduction**  
*Andreas Muth (Sahlgrenska University Hospital)*
- 1.15-1.30 pm **The need for data in rare cancer – a patient perspective**  
*Magnus Carlsson (former chairman of the Swedish Sarcoma Association)*
- 1.30-3.00 pm **Showcase Data-reuse challenges tackled with IDEA4RC solutions**
- Data re-use for research: which challenges?  
*Annalisa Trama (National Cancer Institute of Milan)*
  - The data holder journey in IDEA4RC  
*Eugenio Gaeta (Universidad Politécnica de Madrid)*
  - Security, privacy and trust in IDEA4RC  
*Eugenio Gaeta (Universidad Politécnica de Madrid)*
  - Extract transform and load (ETL) for IDEA4RC. A new paradigm for data gathering  
*Vincenzo Falanga (Engineering Ingegneria Informatica S.p.a.)*
  - Data modelling, interoperability and NLP for data extraction  
*Unai Zulaika (Universidad de Deusto)*
  - The user journey with IDEA4RC solutions  
*Itziar Alonso (Universidad Politécnica de Madrid)*
  - Data findability and understanding: solutions by IDEA4RC  
*Adrián Dantas (Universidad Politécnica de Madrid)*
  - Federated analysis  
*Frank Martin (Netherlands Comprehensive Cancer Organisation)*
  - Breaking barriers to collaboration: IDEA4RC access  
*Ioanna Drympeta (Centre for Research & Technology, Hellas)*

3.00-3.30 pm **Coffee break**

**Moving ahead: Contemporary legal/privacy challenges in secondary health data use, a European, Nordic and Swedish perspective**

*Moderator: Vasiliki Tsiompanidou*

- 3.30-3.50 pm **Legal/privacy challenges of today: EU perspective**  
*Guillaume Byk (European Commission)*
- 3.50-4.10 pm **Danish perspectives on secondary use – moving towards EHDS**  
*Sigrun Gyrtrup (Danish Health Data Authority)*
- 4.10-4.30 pm **Legal/privacy challenges of today in Sweden**  
*Tina Chavoshi (Swedish eHealth Agency)*
- 4.30-5.00 pm **Round Table** The way ahead from a Nordic countries and European perspective moderated by Sébastien Ziegler (European Center for Certification and Privacy)
